Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

In reviewing the above-captioned application file upon allowance, the undersigned has noticed an error in the title of invention as reflected on the Notice of Allowance and Fee(s) Due. The word "Partcle" is misspelled and should read "Particle." Also, please note that the Attorney/Docket No. should be changed to K2020.0007/P007-B.

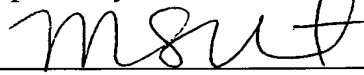

The correct title of the invention should read:

**PARTICLE BEAM IRRADIATION SYSTEM AND METHOD OF
ADJUSTING IRRADIATION APPARATUS**

The PTO is therefore kindly requested to issue a corrected Notice of Allowance. Applicants have marked the submitted Notice of Allowance being submitted with payment of the issue fee to show the correct information. Applicants additionally request that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect the proper title and Docket Number.

Dated: December 20, 2005
